

Parish Nursing is an area of nursing practice that originated in the USA and is now established in Canada, Australia, New Zealand, South Africa and European countries including the UK. There are currently 10,000 Parish Nurses worldwide.

A Parish Nurse is a Registered Nurse with community experience, who works as part of the local church offering spiritual as well as physical, emotional and social care.

In the UK Parish Nursing is the Christian expression of faith community nursing.

What Can St Paul's Parish Nurse Offer?

*"I have come in
order that you
may have life; life
in all its
fullness"*

John 10:10

- A service that works in partnership with local Health Service Providers
- Health assessment and advice
- Referral to other agencies when required
- Help with making sense of medical information
- Advocacy
- Support in times of illness and stress
- Prayer support and the opportunity to discuss spiritual needs

Sandra Higgins

Sandra is a Registered Nurse and District Nurse with more than 20 years' experience in the Camberley area. She has a good working knowledge of both statutory and voluntary services in the community of Camberley.
