Advent wreath instructions

- 1. On a piece of card draw around a large dinner plate.**
- 2. In the centre draw around a mug.**
- 3. Cut out the large circle and the small circle in the middle.**
- 4. Colour the card in green or cover with green tissue paper.**
- 5. Cut out the holly shapes and colour them in or use them as a template and draw around them on different types of green paper or card.**
- 6. Stick the holly leaves around the circle.**
- 7. Crunch up small pieces of red tissue paper to look like berries and add them to the holly.**
- 8. To make the candles, cut up page one along the lines and then roll the individual pieces of paper into cylinders. You should have four small candles and one large candle. Cut out the flames and add them to the top. Each candle can be added to the wreath on each Sunday in Advent.**
